

Good evening!

I wanted to reach out on a couple topics tonight...

First, remember we do not have school tomorrow as we are celebrating Veterans Day! Thank you to all who have and currently serve our great country.

At Shiloh Elementary School we put together a slideshow from the pictures we received from parents showing our Wildcats in their costumes at Halloween. That link is below.

At Shiloh Middle School, we will be having picture day on Friday and have specifically set a time slot dedicated to remote learners, from 1pm to 2pm, for those students who would like to come in and be photographed.

Next, with the governor's reclassification of basketball and the Illinois Department of Health's recent guidance, our basketball season will be put on hold. The conference schools met today and have made a tentative plan to begin boys' and girls' volleyball in January, followed by a basketball season, and then track. The Scholar Bowl and chess seasons are also being evaluated and can be expected to occur. Details regarding specific dates for tryouts and games/matches will be coming soon.

Have a great evening and thank you again to all our veterans!
