

Good evening,

I wanted to remind parents to help us by choosing their student's learning option for the upcoming second quarter. To provide clarity, in-person learning will begin on October 19th and occur between 8:00am and 12:30pm, Monday through Friday. Buses will be running, and lunch and a take home breakfast will be available at the end of the day upon departure. Our transition team is currently refining more details regarding those choosing remote learning while teaching in-person. Currently, we know that some teachers plan to be live streaming during their scheduled day and other teachers plan to record lessons to share in the afternoon. Further support for remote learners will take place in the afternoon.

Our team will be meeting again early next week, and we will share a more detailed plan on Wednesday, September 30th. Acquiring your decision on choice helps us greatly in putting the final pieces in place, so if you can make a choice at this point, please do so. The link to choose an option is below:

PLEASE FILL OUT ONE FORM IN THE LINK BELOW FOR EACH STUDENT

<https://forms.gle/CUcnQJTjmJDnGdsp8>

Thank you for your patience as we continue to work towards the most viable approach.

Have a great weekend,

Dale Sauer
